

## **Freedom of Information Request 6172 – SNT Football Tournament**

As a local resident I take very keen interest in what our local councillors are doing and the role they play to represent the community.

I understand Cllr Abdal Ullah leads SNT Football Tournament for number years and has raised large amount of money though sponsorship.

I believe all our councillors must be accountable and transparent, especially when there is money involved.

As Cllr Ullah is an elected Member of London Borough of Tower Hamlets, therefore I would like to know has SNT Football Tournament received any kind of support from the council since the establishment of SNT. Please include period when Cllr Ullah was the Cabinet Member in the council.

[The SNT football tournament has received £34,180 since 2008. Councillor Ullah was in the Cabinet until late 2010, and £33,200 was received during this time.](#)

I am also aware that NHS/PCT has provided Cllr Ullah's SNT with sponsorship in the past and this year and not to mention Cllr Ullah is the non-executive director for Bath's and London NHS. I would like to now how much money he has received from NHS as the NHS is the public body.

[The Council does not hold information regarding the Primary Care Trust.](#)

Finally has Cllr Ullah ever made any delegation anywhere to say how he has spent the money or how much he has raised
